New Licensee for Westland Printing Rollers in Philippines

Dear Sirs,

Westland Gummiwerke GmbH & Co. KG was established in 1920 and is a family owned German company. As one of the leading suppliers worldwide for rubber covered rollers and components for the graphic industry, Westland is the roller specialist for all types of printing rollers. In addition to the market-leading manufacturers of printing machines, numerous printing houses are Westland's satisfied customers all over the world.

Over the years, Westland has developed a strong international network of subsidiaries and partners.

Today, we are glad to announce that

**Hicor Manufacturing Corporation
at Metro Manila**

is our newest partner and official licensee for the Philippines.

Whilst Westland supplies original rubber compounds and supports HICOR in all technical-related questions, HICOR will manufacture and provide sales and service to all printers in the Philippines.

To learn more about us, please refer to our website www.westland.eu.

Yours sincerely

Westland Gummiwerke GmbH & Co. KG
